

Mattawin River Adventure Center

2004 season

The Mattawin River center is located on the banks of the St. Maurice, at the mouth of the Mattawin River. More than 30 bedrooms are available for our visitors. A restaurant specialized in Canadian cuisine, as well as a bar, makes it all more fun for the adventurers after their workout. Our center gathers together all of our operations and offers a wide variety of outdoor activities along with a rental service and first aid courses.

Our centers offer a variety of outdoor sports (rafting, river kayak, rock climbing, canoeing, sea kayak, hydrospeed, and canyoning) and many other secondary activities (archery, hiking, mountain biking, volleyball, swimming, fishing, etc.) to ensure our clients spend an unforgettable stay with us.

If you would like to spend your vacation outdoors and live adventure to the max, you are invited for an unforgettable stay filled with unbeatable quality activities. Our highly qualified guides will help you live outdoor adventures to their fullest. The only prerequisite is your desire to live a New Adventure.

We offer you adventure at its best without neglecting the benefits of your comfort.

We can host you in our Inn or camping situated on the banks of the Mattawin River. Your only worry will be to relax to listen to the birds singing the praise of the outdoors.
