

RAID DU DRAVEUR

1 of 2

2004 season

6 DAYS OF RAFTING IN THE COMPANY OF RAFTMEN

Welcome to the land of forest workers! We offer you an exceptional adventure: be among the first in the world to travel down the whole Mattawin River. It's up to you to take the challenge!

Witness of the great times of the piling, the Mattawin River will reveal you the secrets of its dark past, day after day. Old forest campsites, wood pilings, old block wood depots, all signs of the forest workers and first settlers' passage. Your guide will be pleased to entertain you with the story between two rapids ...

Technical file :

| | |
|-----------------------------|-----------------------|
| Visited regions : | Montreal and Mauricie |
| Type of activities : | Rafting and seaplane |
| Duration : | 10 days / 9 nights |
| Difficulty level : | Intermediate |
| Departure location : | Montreal |

Itinerary :

- Day 1:** **Montreal:** Arrival and transport from the airport to your hotel. Supper and evening without planned activities.
- Day 2:** **Montreal / Mauricie:** Breakfast. Take the morning and the lunch off to discover the charms of Montreal at your leisure. Then let's meet for the transfer to the Mauricie. The adventure begins by a flight in seaplane above the river, flying over the territories of the Mauricie National Park, as well as the faunistic reserve of the St. Maurice, allowing you to watch the areas against which you will measure yourself. Supper and evening without planned activities.
- Day 3:** **Mauricie:** Breakfast. Explanation of the safety procedures and paddle techniques. Time for the great departure. A couple of kilometers of paddle, then stopping for supper and camping. Open evening.
- Day 4 to 7:** **Mauricie:** A journey where each day, portions of the rivers will surprise you: the Flipper (S IV), Pinball machine (R IV), the Geyser (R IV), the Grandmother Fall and much more. High emotions guaranteed! Your guide will be able to transmit his knowledge of the history of this mythical river that saw more than one driver piloting the wood block wood cut by the cutters.
- Day 8:** **Mauricie:** Last day on the river that will allow us to fine tune your navigating techniques. Breakfast, and back on firm ground in the afternoon. Transfer to Montreal, supper and evening without planned activities.
