2004 season

Between La Tuque and Mattawin. These packages are offered in 2 days. We can also prepare for you, upon request, expeditions of more than 2 days. The St. Maurice is the perfect area for Sea kayaking. Its beaches and cliffs will meet your highest expectations.

You'll cover over 20 kilometers per day of the most beautiful landscapes of the High St. Maurice.

Technical file :

Visited regions :	Mauricie
Type of activities :	Sea Kayak, fauna and flora observation
Duration :	2 days / 1 night
Difficulty level :	Beginner - intermediary
Departure location :	Mattawin

Itinerary :

- Day 1:** Upon your arrival at the center (9:00), a guide will welcome you and explain your preparations concerning your trip. Next is your departure to the starting point where you will carry out your first paddling on the St-Maurice river. Naturally, all meals will await you during your big adventure. After covering 20 kilometres, we will stop to set up our camp site and have a wonderful meal prepared by our chef guide. At nightfall, close to the camp fire, we recount the events of our first day. Before going to sleep, ask your guide to help you discover astrology with the help of a star chart.
- Day 2:** Small breakfast, dismantling of camp and a new departure at the heart of this antique part of the Canadian Shield. Breakfast on the river. Following , the descent of the river at a vacation's rhythm of discovery.
